Richard:

I would like to thank you personally and on behalf of the membership of the Ormond Yacht Club for the tremendous effort you have shown towards our goal of restoring the Ormond Yacht Club building. The effort, expertise and expense you have contributed to the stabilization of this landmark reveal an unselfish commitment to local preservation that we should all aspire to. The Ormond Yacht Club and the community as a whole benefit from your involvement in our project.

With gratitude and respect,

Dear Mr. Brookfield:

We just wanted to take a minute to say "Thanks". It was wonderful working with you. We appreciate all of your efforts and are grateful to you for helping us successfully complete this project. We will gladly let it be known, who the architect in the West Volusia area is that people should call.

Thank you and if you ever need anything, please call us anytime.

Sincerely,
